Registration

How to register to the CTF platform

First step you have to do is create a new account!

- Go to <https://ctf.hackthebox.eu/register> and create an account
- If you have already an account go ahead and login with the existing one

The screenshot shows a registration form titled "REGISTER" with the subtitle "Register as a new user". The form contains four input fields: "Username" with the value "ctfWinner", "EMAIL" with the value "username@mail.com", "PASSWORD" with masked characters and a toggle icon, and "RETYPE PASSWORD" with masked characters and a toggle icon. Below the fields is a checkbox labeled "I accept the Terms of Service" which is checked. At the bottom is a large red "REGISTER" button. Below the button, it says "Already registered? [Login](#)".

Rules

Rules

All rules you must follow for the CTF

1. It is strictly forbidden to perform any kind of Denial of Service or any other unwanted actions against the servers or associated infrastructure.
2. Do not try to brute force the flag submission system.
3. Do not perform any unwanted actions against other teams/members.
4. Do not try to exchange flags/write-ups/hints of the challenges during the competition with other teams participating or to other external entities.
5. Do not distribute the content of the CTF (the challenges) to third party entities for help.
6. All teams must be consisted by one member. Teams with more than one member will be disqualified.
7. Please familiarise yourself with the [ToS](#) in place regarding our content and intellectual property.
8. Any violation of these terms will automatically disqualify the player from the competition.
